

Automatic Lubrication Solutions

CAPABILITY SUMMARY

BUSINESS SUMMARY

Founded in 1997, Power Lube Industrial, LLC is a Woman Owned Small Business (WOSB), North American distributor of automatic lubrication equipment and supplies. Products include MEMOLUB®, Greasomatic® and ATS– Electro-Luber™ single-point and multi-point automatic lubricators and over one hundred oil and grease lubricants. Applications include bearings, fans, pumps, motors, water and sewage treatment equipment, conveyors as well as other commercial and industrial equipment. Power Lube Industrial, LLC sells directly to the end user, and also sells through a network of distributors across the United States and Canada. Orders are normally shipped within 4 business days. The company provides sales and customer support out of its Milwaukee, WI headquarters.
